Scenario 1

As a coach Stefan feels that it is important to be in touch with the junior players. He is regularly heard talking about latest trends etc and often is heard teasing the girls about the amount of time they spend “discussing nail varnish and make up” which could be spend practicing.

Does this situation make you feel uncomfortable? YES NO

Do you think any action is required? YES NO

Please explain below the reasons for your decisions above;

Scenario 2

Two junior players are heard discussing their play during a league match. Player one loses and states he played consistently but just couldn't keep the ball on the table to which player two laughs and starts to make fun saying he's got a bad attitude, he lost because his game is rubbish.

Does this situation make you feel uncomfortable? YES NO

Do you think any action is required? YES NO

Please explain below the reasons for your decisions above;

Scenario 3

As the junior player coach you notice that every time James takes part in round the table exercise he begins to cough and eventually has to sit out as he is complaining of being short of breath. He tells you he has asthma but he doesn't have an inhaler as it has run out. You speak to his mother who says she will make sure she gets one but the next time you do round the table James still doesn't have an inhaler.

Does this situation make you feel uncomfortable? YES NO

Do you think any action is required? YES NO

Please explain below the reasons for your decisions above;
